Ralston Community Foundation Fund

Support Your Community Foundation

The Ralston Community Foundation Fund, an affiliate of the Nebraska Community Foundation, was formed to provide a means to charitably support community improvement projects in the Ralston area with tax deductible donations.

In these times of higher costs for services provided by our governmental entities, it becomes more and more the private funds that must provide the means of improving and maintaining our community. Such improvements must be continually made to maintain the excellent quality of life that we have come to enjoy.

One of the goals of the Ralston Community Foundation Fund is to establish an endowment fund so that donations made today can serve the community in perpetuity. When donations are designated to this endowment fund, the funds are invested and the principal is never drawn upon. A part of the interest from this investment is used for community improvements and a part is placed into the fund to ensure its growth.

How the Ralston Community Foundation Fund can work for you...

By donating to the Ralston Community Foundation Fund, you can play a vital role in the future of this community. All gifts are tax deductible and will be used for community betterment. Donors may choose to give towards a specific project or make an unrestricted gift.
